Summary

Clinically-tested skincare products comprised by ingredients naturally-derived from the Amazon Rainforest. Globally people search through all forms of skin care to help delay aging and nourish their skin. This company has produced proven and award winning skincare products that compete with Botox, without the need for a shot. Products sold on their website and 3rd party sites, and a new owner could distribute to retailers globally. The owner is the founder of the company and is open to a strategic partner or a full buyout. Detailed financials projections and marketing package are available. Please note that the gross sales of 225k is over three years.

The seller is motivated and willing to consider different deal structures.

- Can improve the appearance of fine lines.
- Shown to lift and tighten skin.
- Sculpts facial contours.
- Visibly eliminates puffy under eye bags and saggy skin.
- Improves barcode wrinkles.
- Lasts up to 8 hours
