Summary

Large Environmental Waste Logistics and Disposal, Engineering, Trucking Contractor in Southern CA.

\$25m Current Project Schedule. 5 New Alternate Fuel Semi-trucks.

Since 2004, this well-known, highly niched licensed C-21 Demolition Contractor has specialized in providing logistical support to Large Construction Sites, Public Works Infrastructure Projects, and Commercial Construction. They are experts at environmental waste disposal and ensure compliance with all regulations. They have excellent relationships and an outstanding reputation with virtually every major construction company in the area with large repeat business.

The logistical support can be for;

- Trucking - hauling asphalt, concrete, contaminated soil, debris.... to environmental regulated landfills
- Waste Characterization, and Disposal Facility Selection
- Roll-off Trucking Bins for on-site placement
- Truck Brokering - proprietary network of over 500 licensed, permitted, and insured Motor Carriers

Future Growth: With Infrastructure Legislation and the 2028 Olympics, numerous infrastructure projects are scheduled for southern CA over the next 5-7 years. This company is well positioned to capitalize on those opportunities and currently has over \$25M in projects secured many to continue through 2025.

Company is well suited for SBA Loan. The seller is willing to stay on as a consultant to assure a smooth transaction.
