Summary

Offers private client services to those business owners who would like to automate their client gifts, giving them the freedom to be more productive, consistent and efficient in their businesses, while growing their bottom line. Clients include Financial Consultants, Law Firms, Real Estate Brokers, etc.

It's a premium gifting tailored for financial services professionals to strengthen and enhance their client relationships.

Current owner is committed to ensuring a smooth transition and is open to staying on during a training and handover period. Owner Will also introduce the new owner to her valued clients and provide comprehensive training to set them up for continued success
